

# 2017 SUMMER CAMPS

Is your schedule crazy this summer? You can do **MINI-CAMPS** or a **FULL CAMP** instead of weekly classes!

## HERE'S HOW IT WORKS:

- \* We keep your current weekly classes active and on auto-pay
- \* Instead of coming to your weekly classes, you attend CAMPS that work with your summer schedule
- \* Your weekly classes stay on the schedule so that your spot is **GUARANTEED FOR THE FALL!**

### Private Lessons Students

- \* **30min Private Students** can attend either: **FOUR Mini-Camps** OR a **Full 3-day Camp** instead of their June, July, and August Private Lessons at **no additional cost**.
- \* **1hr Private Students** can attend **UNLIMITED 4-hr Mini-Camps and Full Camps** at **no additional cost** instead of their private lessons.

### Group Class Students

- \* **Group Class Students** **MUST** pick **THREE Mini-Camps** Or a **Full 3-day Camp** in place of their June, July, and August group classes.
- \* **Group + Private Students** - Students who are in group AND private lessons can 1) Continue their private lessons and do **THREE Mini-Camps** instead of the weekly group classes, or 2) come to **UNLIMITED Mini-Camps and Full Camps** in place of their group and private lessons.
